All trainings are open to one and all. The trainings in **RED** are focused on recruits or 'Booters;' please call Capt. Nelms (566-0292) if you are interested in participating in one of those *if you are not a Booter*. Booters are encouraged to participate in all of the training opportunities listed on the schedule, especially all trainings scheduled from January 16 through March 15 as this 60 hours of training is your core education.
